September 9 - 13

## Meet The Teacher

Meet the Teacher Night at NBMS will be on Wednesday, September 11. Parents will follow their student's schedule for a short presentation in each class. While we understand that it is difficult for parents with multiple students to attend the correct "class period" for our class, please note that different information will be given out for each class and may be different than what your student needs if you must attend at a different time.
