10/18: Beginner Brass - Lightly Row

Our first beginner concert was last Wednesday and Friday! Thank you so much to everybody that came out to support our students in their very first public performance. The students all performed amazingly and we are so proud of how far they have come in only 9 weeks! Videos and pictures from the concert are now on the Facebook page, but feel free to tag NBMS Band in any pictures you took during the concert!

Please continue supporting your student and encouraging them to practice. Our next performance will be the Winter Concert on December 3rd at LBHS.

Students should be practicing between 10-20 minutes daily or around an hour for the entire week.
